## Audit & Assurance

### New review engagement standard: Preliminary observations

We contacted provincial practice inspectors to find out what they have seen in their inspections of review engagement files. Based on these preliminary observations, here are some reminders for practitioners when applying this new standard.

#### Cryptocurrency audit considerations

Learn about considerations related to auditing an entity with material cryptocurrency assets and transactions under the Canadian Auditing Standards (CAS).

#### Reporting implications of Canadian Auditing Standards

Take advantage of our reporting guide, which aims to promote consistency in the form and content of practitioners' reports by providing guidance with respect to commonly occurring reporting circumstances.

## Finance

### A4S: Social and human capital accounting

As a finance professional, find practical guidance on how to integrate social and human capital considerations into your organization in this project developed by members of the Canadian Chapter of The Prince of Wales's A4S project.

## Financial & Non-Financial Reporting

### Accounting for non-traditional pension plans

Many public sector pension plans involve employers sharing risks with their employees and/or other employers. Learn how potential accounting guidance reflecting the risk assumed by employers could have a significant impact on their financial positions.

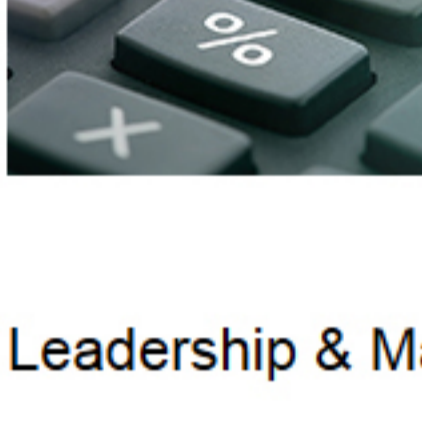

#### Viewpoints: Capitalizing borrowing costs (Mining)

Understand the factors a mining company should consider to determine whether it should capitalize its borrowing costs.

#### Observations on the new revenue standard

Learn about the key findings from Chartered Professional Accountants of Canada (CPA Canada)'s study of the financial impact of the adoption of the new revenue standard by listed companies.

## Management Accounting

### Management accounting guidelines (MAGs)

CPAs play a pivotal and crucial role in creating resilient, adaptive, innovative and sustainable enterprises (RAISE). MAGs will prepare CPAs to address day-to-day business issues as well as critical disrupters that influence their decision-making processes.

## Strategy & Governance

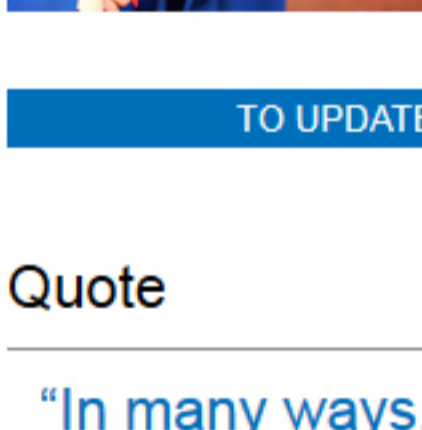

### HR questions for NFP directors

Download this free publication to access information and tools NFP directors can use to fulfill their governance role in human resources.

#### On the radar: Sustainable finance

Canada wants to shift capital to support climate change and sustainable development. As a signatory of the Paris Agreement on climate change, Canada is committed to a global pact toward more sustainability for the global economy.

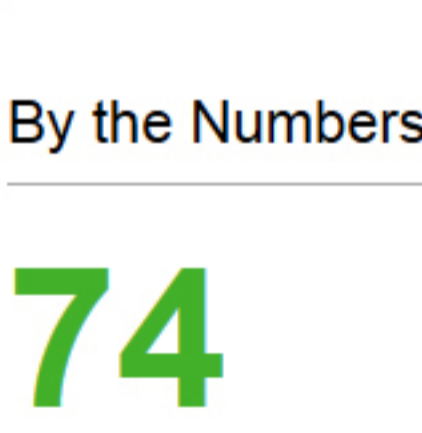

## Taxation

### QST digital economy rules for non-residents

Quebec is extending its sales tax to a broad range of supplies made from outside the province to customers in Quebec. Find out if you or your business clients should prepare to comply.

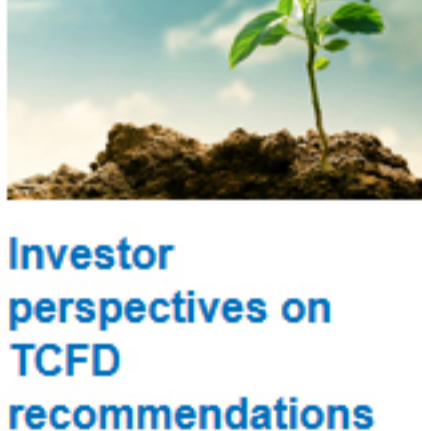

## Leadership & Management

### Call for consultants: Reporting by NFPOs

Are you experienced in not-for-profit reporting matters? CPA Canada is looking to partner with consultants to develop guidance for members and other stakeholders in the not-for-profit sector.

## CPA Profession News

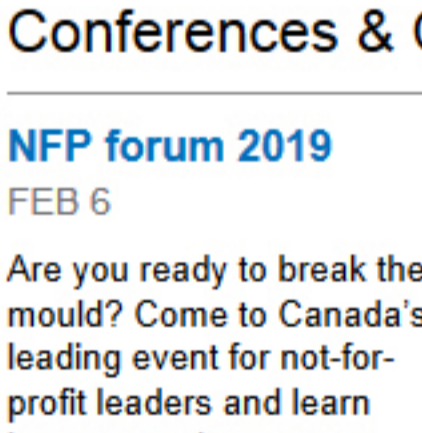

### Canadian CPAs seeking ICAEW CA designation

Learn about your eligibility to apply for membership with the Institute of Chartered Accountants in England and Wales (ICAEW) under the reciprocal membership agreement (RMA).

#### Canadian CPAs seeking the India CA designation

Learn about the eligibility of Canadian CPAs applying for membership with the Institute of Chartered Accountants of India (ICAI) under the memorandum of understanding (MOU).

## CPA Education Programs

### CFE honour roll

Chartered Professional Accountants of Canada (CPA Canada) congratulates the individuals who made the honour roll while successfully passing the profession's Common Final Examination (CFE). In total, 6,163 candidates passed the September 2018 CFE.
