This global awards competition is open to trade, association, and business magazines (both print and online-only) and websites published completely or partially in English. Magazines or websites must accept paid advertising. There is no minimum number of annual print issues required. Eligible work for the 2024 Tabbies must have been published in calendar year 2023.

All entries become the property of TABPI, and all decisions by the judges are final. Winners will be notified on or about August 14th, 2024. Up to three winners in each category will receive plaques. Honorable mentions may be awarded in each category, but please note that paper honorable mention certificates are no longer mailed out. Multiple submissions in categories are permitted, but a given publication title may not win more than one award per category.

The early-bird deadline for submissions is THURSDAY, MARCH 14th, 2024. The early-bird entry fee is 115.00 USD per submission.

**PAYMENT NOTE:** If you will be paying by check, please use the categories that include the (Paying by check) designation and contact the TABPI office at info@tabpi.org for check mailing instructions.
